OUR MISSIONARY

In field- February, 2004

Supported by Calvary Baptist Church-2000

Pastor Beadles,

We are having the time of our lives serving our Saviour here in Taubaté with Bro. Ed Johnson and his parents, Dan & Gerri. Five months ago today New Life Baptist Church in Taubaté opened its doors!

As of the beginning of this month 84 people saved, 10 people baptized, 237 visitors. We are averaging 28 on Sunday am; 35 on Sunday pm; 27 on Wednesday evenings. 12 of us went to a 3&1/2 day camp 5.5 hours away the first weekend of February. All seven messages were from Daniel chapter 3. The theme was "WE WILL NOT BOW" based on the testimony of the three Hebrew children that were not for sale even with the threat of death.

Almost daily we meet families seeking direction for their lives. God has given our family an open door to be a witness and help to the people in our neighborhood. Our family lives within a five minute walk down the hill to the building we are presently renting. Coming home from a special prayer meeting after 10 pm a neighbor, Marcia, stopped to say that she was planning to visit our church on Wednesday but did not because of the heavy rain at the time of church. She is very catholic and even walked through the night with 200 others church to a large catholic church a few months ago. PRAY with us for Fabio & Marcia, and their children, Sávio 16/17, Tainá (10), & Otávio (3) to trust JESUS
