OUR MISSIONARY

Calvary Baptist Church,

Greetings from Guatemala, Central America. While it is called the land of the eternal spring, there are actually two seasons. The rainy season which we call winter and the dry season which is our summer. We are headed towards the end our dry season, and are in the middle of a summer campaign. For the children we have Bible bucks which they can earn by attending faithfully, saying there Bible verse, etc. The adults get rewards for bringing visitors. Many families in our church now come because their children initially came on one of our routes for a special day.

We recently got a much needed van to help transport people to and from church. We have needed this for years and we are thankful to be able to provide rides for those who would not be able to come otherwise. Particularly for the night services it is hard for people to find buses to go home.

My wife stays busy home schooling four of our five children, and keeping up with the smallest one too. She is also very excited to have her mom now living with us here in Guatemala.

Thank you for your faithful support and prayers through the years. We are honored to represent you to the people of Guatemala.

His for souls,

Daniel Wilder
