OUR MISSIONARY

In field-November, 1995

Supported by Calvary Baptist Church-1995

Dear Calvary Baptist Church,

Thank you so much for your faithful support of the ministry in Romania. In 2016 we are planning on starting several new ministries. Beginning on Thursday, February 11, we are conducting a weekly Bible study in downtown Cluj near the students. This Bible study was started one year ago from an evangelistic meeting and it met only 2 times per month but we will be increasing that to weekly and will try to reach more students. Recently there have been approximately 10 people who have been faithfully attending the study that are not attending a church regularly yet. We are also planning on opening our men's addiction recovery home this year. We have so much work left to do on the building and we need your prayers greatly for this endeavor. We also hope to receive between 30,000 and 50,000 Bibles this year of our Fidela Romanian Bible translation. There is a large demand for this all over the country as it is much different from many Romanian translations. The Fidela follows the King James.

May the Lord bless you for your faithfulness and for your vision for world missions. I have often said in churches that I do not desire a gift, but I desire fruit that may abound to your account. This is truly my goal as a part of your missionary program. Last year we gave the Gospel to several thousand people by preaching and soul winning. With the tracts, Scripture portions and invitations we have given out, the number reached is well over 10,000 people.

As you think of world missions during your conference I want to encourage you to see that the cause of world missions is to show your love for the Lord Jesus. Thank you for all that you do and for your prayers and faithfulness to the work and ministry in Coldwater and around the world. May the Lord bless you richly at this time.

Sincerely,
Brian & Lynette Nibbe
Cluj-Napoca, Romania

MISSION FIELD FACTS

Population-Approx. 19 million
Language-Romanian
Religions- Christian
Exports- Wire, iron & clothing
