## OUR MISSIONARY

**In field-** 2001

**Supported by Calvary Baptist Church-** 2002

Dear Calvary Baptist Church Family,

It was certainly great to hear from you. Our overseas ministries are certainly going forward and making great impacts. Not only are we able to make trips to train pastors in starting independent Baptist churches, but we are able to train 100s of new soul winners every year. We also are able to pass out much training material.

Last year, our overseas ministries had the privilege of seeing over 30,000 individuals come to know Christ as Saviour in the countries of the Philippines, Thailand, Africa, and India.

This year, in April, I will be preaching a Global Youth Conference in the Philippines, where over 2,000 young people will attend from over 13 other countries. Please pray that this will go well.

I want to thank you for your continual support of International World Wide Evangelism and our desire to continue to grow in our soul winning outreaches in an ever growing and needy world.

Sincerely,

Dr. Mike Wells
