### OUR MISSIONARY

**In field-** August, 2004

**Supported by Calvary Baptist Church-** 2003

Dear members of Calvary Baptist,

I sure wish that you as a church will have a great productive and fruitful year, I sure am glad to see that your interest in mission is progressing. My family and I are doing well, Beloved is doing a great job with home schooling our kids on the top of that she teaches Junior church on Sunday morning. Right now she average about 60 kids, please pray for her because by the time that those kids are done with her on Sunday morning, she is literally out of strength and energy, yet she enjoys it so much that she is ready to go through again the next Sunday morning.

The boys and I went birds hunting this Friday, unfortunately, we did not catch anything, not because there was not any bird to shoot , but none of us are good with sling shots, so we need a Beebe gun, somebody please help me with that. Any way, we had a good time out in the wood.

The church is doing really well so far this year, we had 25 people out soul winning on Saturday and 9 saved. Last Sunday we had 9 baptism. Our little church building is now too small to handle all the people that we have. We had 120 in attendance last Sunday night. We need space.

Please pray that the Lord will help us to raised \$10,000.00 to buy a piece of land in a prime location on the major road and another \$10,000.00 for a church building.

Anyway, thank you for all the supports and prayers you have invested in U.S. Through the years, it is our joy to represent you here in the Island of Hispaniola

May God bless you.
