### OUR MISSIONARY

**In field-** June, 2005

**Supported by Calvary Baptist Church-** April, 2004

Dear Calvary Baptist Church:

Greetings from Nigeria, West Africa, where our family has been serving since June of 2005. It has been our honor to represent Calvary Baptist Church of Coldwater since April 2004, when Sabrina and I were on deputation with our baby son, Joseph. God has blessed our family since then with a fruitful ministry, joyful marriage, and four more children: Victoria, Brian, Noah, and Elizabeth.

In May of 2006, Truth Baptist Church of Nyanya-Abuja held its Grand Opening service with 98 in attendance. Almost immediately, Temple Baptist Institute began ministry-training classes twice weekly for members. Three years later, Providence Baptist College & Seminary opened its doors to students that represent many of the 130 independent Baptist churches in Nigeria. With the graduates of the seminary and the institute, over 30 additional churches have been planted throughout the nation. For seven years, Truth Baptist Church has hosted both a national pastor's conference and an annual youth camp. In May of 2015, Grace & Glory Baptist Church was launched, the second work in which my family is personally involved.

We hope you are encouraged by the fruit that has abounded in our family and ministry. Be assured of our prayers as your church enters into this important time of missions emphasis. We look forward to sending you many more good reports in the future.

Mark Holmes
