OUR MISSIONARY

In field- December, 2010

Supported by Calvary Baptist Church- 2009

Hello Pastor Beadles and Friends of Calvary Baptist Church in Coldwater, MS,

First, I would like to start by saying thank you for your faithful, yet sacrificial support for us all these years. We know that, in these economic times, money is not easy to come by, but you continue to be faithful in your support and partnership of our ministry here in Madagascar!

Second, I would like to thank Pastor Beadles for his vision and desire to lead your church to reach the world with the gospel through missionaries, like ourselves. I am so very thankful to have a friend in the ministry like your pastor, and I am sure that you love and appreciate your pastor as well.

Thirdly, I just want to thank the Lord for His calling on our lives to serve Him here in Madagascar; we consider it a real privilege. I also want to praise the Lord for a very supportive and strong helpmeet. I can have all of the ability in the world to learn a language, but if I do not have a supportive wife, I do not have a ministry.

Fourthly, please pray for our ministry here for continued growth of our people both in numbers but also spiritually. This has been a tough year for a lot of our people since we just had a cyclone hit the island and it destroyed much of their crops, which, consequently, has driven up the cost of food here as well. Also, if you could pray for our health. This year has been hard with sickness going around, and both of us (Darlene and I) have been sick on occasion. Thank you for your prayers for these things.

In Christ,

Scottie Rackley,
Your missionary to Madagascar
