OUR MISSIONARY

In field- October 1988

Supported by Calvary Baptist Church- 1993

Dear Pastor Beadles and Church family

Barb and I would like to say Thank You for your continued support of prayers and financial support for the last 23 years. Calvary started our support in May of 1993 and has been faithful ever since. Our ministry started in Memphis in 1991 and has continued since then in ministering to those who are incarcerated. Our ministry has taken us in revivals in Mississippi, Arkansas, Louisiana, and Florida. Through these many years we rejoice that there have been souls saved in revivals that we have attended in those states listed, but also in our local area at the state prison, juvenile detention center and local county jail. There has been fruit that has remained as we have seen some of the men with their wives in restaurants, worked with them on revivals in prison and met some on the streets in Memphis. I recently saw a man that was an inmate the other day at the hospital where Barb and I were going to see our son-in-law; he shouted and waved at us as he came by in his car.

There is a vast harvest field ready for reaping and you have allowed Barb and me to reap in those fields these past 23 years, representing your church family and your desire to see souls saved and grow in Christ. Your faithfulness over these past years will one day be rewarded when we all get to heaven. I think of Paul's letter to the Philippians in 4:17 "Not, because I desire a gift: but I desire fruit that may abound to your account." That is our prayer that the fruit will abound to your account.

Barb and I hope to come by shortly and visit. Until then, Barb and I remain in the Master's service.

Bro. Dave & Sis. Barb Hohmann Hebrews 13:3
